

Editorial Notes

This Naresuan University Journal (Science and Technology) or NUJST, ISSN 0858–7418 and EISSN 2539–553X, is Volume 31, No. 4. To preserve the environment and reduce the amount of paper use, we are pleased to announce to the journal members, authors, and all readers that starting with this Volume, the journal will be published on the journal website only and the hard-copy version will be canceled. Only members will receive the hard copy journal. This journal is approved by Thai-Journal Citation Index: TCI Tier 1 and ASEAN Citation Index: ACI. Regarding the contents in this issue, there are 10 articles: 1 research article on the health-science cluster, 9 research articles on the science-technology cluster.

All articles in Naresuan University Journal: Science and Technology can be downloaded from the website <http://www.journal.nu.ac.th> under the ThaiJO system of the Thai Journal Citation Index. From Volume 32 No. 1 (January – March 2024), the Naresuan University Journal: Science and Technology (NUJST) will change its title to Asian Health, Science and Technology Reports (AHSTR). The AHSTR publishes research and reviews articles in various interdisciplinary and multidisciplinary fields, across diverse interdisciplinary and multidisciplinary fields of Health Sciences, and Science and Technology. Those who are interested to publish their works in the AHSTR can register and submit articles online via <https://ph03.tci-thaijo.org/index.php/ahstr/about/submissions>. For any inquiry, please call +66(0)55 96-8835 or E-mail ahstr@nu.ac.th
